

## Partnership Agreement

Dear Caryn,

We are delighted that "**Much More Than Me**" is joining the Animal Miracle Foundation & Network family.

As you may have read on our website, the Animal Miracle Foundation & Network receives over 30+ million visitors a month to its network because of our far reaching media campaigns, major popularity of the sites themselves and international partners who send traffic to our sites via their visitors. Our partners are some of the largest and reputable companies and rescues in the world and through their promotion and support of our mission {as well as our support of theirs}, you also receive significant exposure for your dollar.

When you become a partner, you not only automatically increase your visibility in your marketplace on a grand scale, but you show your current and potential clientele that you care about animal welfare and conservation.

100% of your investment goes to helping us save more animals and it doesn't get any more "feel good" than that.

You set a good example for other businesses to help save animals as well.

Because of our far reaching TV & Radio media campaigns for all of our pet holidays, which also includes a large media platform via our founder,

Celebrity Lifestyle Expert, Colleen Paige, media opportunities for your business increase ten fold.

You are not only helping to save animals through becoming a partner, but you are helping the planet well, as many of our programs concern wildlife and conservation - and your partnership helps to support these missions.
